

A LIGHTHOUSE

Melle vernetzt is a lighthouse in our society.

In order to care for the welfare of the youngest generation in childhood and adolescence, we appeal to the public for cooperation and support of various activities.

Let us keep our children safe from injuries of mental and physical nature, assist them to live a dignified life and transform them into strong personalities who can face all obstacles of our times. //

I support "Mellery" because I am convinced by the violence prevention concept of the "Melle vernetzt e.V." and I love the imagination with which the children draw their guardian angel. //

THE ASSOCIATION

The **"Melle vernetzt e. V."** is a non-profit organization with the goal of enabling Mellean schools to apply proven and sustained addiction and violence prevention projects.

The high demand by the Mellean schools shows the immense need and positive response to the supported projects. The institution can only ensure the projects permanently, if it is able to expand its network and find long-term partners.

GOOD REASONS

Good reasons to support our institution:

- Our work is completely done by volunteers and donations are fully used for the projects.
- Prevention work is an important investment into the future. By the comprehensive orientation in Melle, we reach many young people who will be apprentices and workers in Mellean companies later.
- Sponsors may use the sponsor logo and show their social commitment impressively in our versatile public relations.
- You can make well proven projects possible for a whole class with just 200 Euros a year.
- Sponsors receive our Mellean Angel products at top conditions, and in individualized design, such as with their company logo.
- Each member bears the costs for a child with a contribution of 12 Euros annually.
- We are building a network with other locations that want to adopt our prevention concept.

MELLEAN ANGLES

The **"Mellean Angels"** are drawn by elementary school children. They are guardian angels that are printed on wrapping paper and hand painted onto Christmas tree ornaments.

The angels are matched by Christmas cards and high-quality stainless steel products. They are suited as gifts for family, friends, customers or employees, available in individual design for our supporters with a minimum order quantity.

The **"Mellery"** logo stands for the initiative in Melle and beyond its borders.
